

Product Overview:

The LA-342 Dual-Mount Radiator Bracket helps you install your IR listening system wherever it may be needed. The bracket allows you to mount two radiators on a single bracket, and gives you the option of aligning them vertically or horizontally depending on your venue's needs.

Highlights:

- Lets you mount two (2) IR radiators
- Flexible design allows you to mount radiators vertically or horizontally
- Easy to install and ideal for most venues or public spaces

Includes:

One (1) Stationary IR Dual Radiator Mounting Bracket

One (1) Interconnection Coaxial Cable

One (1) Interconnection Cat-5e Cable
