

Product Overview:

The LA-406 Protective Ear Buds offer the noise protection of ear plugs while providing outstanding sound quality and comfort. The in-ear design offers ear plug level hearing protection and provides a comfortable fit for users with large or small ears.

Two sets of interchangeable plug tips are included (Foam & Silicone). The foam tips provide a Noise Reduction Rating (NRR) of 29 dB and the silicone tips provide a Noise Reduction Rating of 27 dB when used as directed.

The construction is durable and easy to clean, and the ear buds can be disinfected using our disinfecting wipes ([LA-901](#)).

Replacement plug tips are available in both foam ([LA-411](#)) and silicone ([LA-410](#)).

Highlights:

- Protect hearing with Noise Reduction Rating of 29 dB (foam) & 27 dB (silicone)
- Universal design to fit large or small ears comfortably
- Durable construction for long life and easy cleaning or disinfecting
